

THE WHITE HOUSE
WASHINGTON

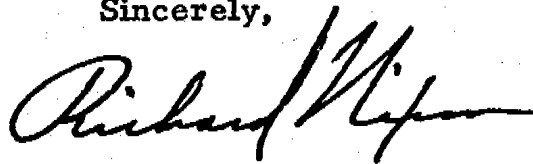

March 5, 1974

Dear Mr. Liu:

This is to express my thanks for the superb replica of an ancient Chinese vase which you so graciously brought to the White House during your visit to Washington for the National Prayer Breakfast. I appreciate your thoughtful generosity, and am delighted to have such an eloquent reflection of Chinese artistry as a memento of your friendship.

With warm best wishes,

Sincerely,

Honorable John K. C. Liu
Member of National Assembly
